

£100

We are always looking for new property to let to our lists of waiting tenants. If you know a landlord who VIZARD RUSSELL could find tenants for and can pass on their details we will pay you **£100** for each let property.

All you need to do is let the landlord know, then let us have their contact details - we will do the rest.

Remember this is **£100** for each property let, so if you know a landlord with ten properties, just think what this could be worth to you **££££££££££**'s.
